Canadian Sports Monitor Get in the Game

The playing field of the Canadian Sports Market is home to a vast array of activities, events, products and services. Teams and businesses from all sectors – banking to biking; soft drinks to softball – come together for entertainment and promotion.

The *Canadian Sports Monitor* is your source for tapping into the market and understanding Canadian sports fans.

Key Benefits

The *Canadian Sports Monitor* is...

Comprehensive – Covers all major and emerging sports, as well as extensive product, service and media information

Affordable – Core deliverables for under \$10K

Flexible – Add-on features allow you to fine-tune the research to suit your specific needs

Actionable – Information is designed to help you:

- Assess market size and potential for growth
- Understand attitudes and opinions
- Identify opportunities for corporate sponsorship
- Optimize marketing and communication with key fans, customers, consumers and stakeholders
- Explore ideas for product and service development
- Answer the questions that are most relevant to your business or organization

Methodology

The survey identifies fans of key sports and sporting events, and profiles the market across a range of products, services, attitudes and opinions.

Based on 2,000 online interviews among adult Canadians, the robust sample size provides a broad view of the Canadian sports market, and allows us to drill down to the information that is most relevant to you.

As an add-on feature, sample can be boosted with any specific target group of your choosing, such as:

- Niche product users
- Core fans of any sport
- Any demographic profile, including families and children

2009 Study Schedule*

March – April	Subscription period
